

Press Release 2 / 2011.09.30

The Cultural Association Vocal Sound, Lugano - Switzerland
presents the Project

ÌNIN 2012 - One Earth Choir © Anna Bacchia 2010

Up to day: 22'700 voices from 42 countries and a network of 53'000 contacts

WHAT

The first time - **the largest Choir** on Earth:
on 21st February 2012, at 11am GMT,
voices **in cities all over the world** will sing the same music **simultaneously**,
conducted by the same conductor - one global video transmission.
Bridges of Music between the cities in the world.

THE EVENT

People of **all cultures** on the Earth can speak **the same language**, represented by **Music** -
One unique Symphony: One Choir spread around the whole globe.
ÌNIN is the title of the music, composed for all the voices in the world. Online from summer 2011 on www.inin2012.net

ONE EARTH CHOIR EVENT AS A STARTING POINT TOWARDS A NEW CREATIVE LANGUAGE:

a cultural project between Science Art and daily Dialogue - A project for a sustainable development.
One Earth Choir will not end with the Event in February 2012: it is a starting point for the **INTERCULTURAL VOCAL SOUNDS web, I.V.S.:** workshops, laboratories, shows, conferences in science art and culture, where **Science and Wonder**, **Imagining and Intuiting**, **Creating and Telling** are Instruments turned towards the **Perspective of a New Human Culture** for the next generations

Among the **scientists and artists** which support the Project:
Vladimir Ashkenazy, Mario Brunello, Fritjof Capra, 莫瑞诺, Rachele Ferrell, Daniele Finzi Pasca,
Ervin Laszlo, the Yellow Character Slava's Snowshow.

THE CONDUCTOR:

Ervin Laszlo:

- Founder of systems philosophy and general evolution theory, founder-director of the General Evolution Research Group and former president of the International Society for the Systems Sciences. His numerous prizes and awards include four honorary doctorates.
- President of the Club of Budapest
- Advisor to the UNESCO Director General, ambassador of the International Delphic Council, member of the International Academy of Science, the World Academy of Arts and Science, and the International Academy of Philosophy.
- Author or editor of sixty-nine books translated into as many as nineteen languages, four hundred articles and research papers and six volumes of piano recordings. He serves as editor of the monthly World Futures: The Journal of General Evolution and of its associated General Evolution Studies book series.

Registrations are open to anybody on the official project website: www.inin2012.net
